Will you CAM up with your BOSS Rep?

KOREA REGION:

Celebrate commissary savings by participating in the sixth annual Commissary Awareness Month single service member tours this May. Commissary shoppers can save an average of 30 percent or more over commercial grocery stores. With regular use of the commissary, single service members can save more than \$1,000 annually. It's money that comes in handy to buy electronics from the exchange, take a vacation, buy a car, or save for the future.

Telling people about the commissary is the one thing, but the best way to tell them about the savings is to let them experience it for themselves. Over the last six years, single service member have been a highlight of the Defense Commissary Agency's (DECA) CAM.

CAM is fun, educational and rewarding! By participating in your local CAM you could help earn Bonus Bucks for your BOSS Program!

Quotes

"I went from being a big TV star on the lot, with my own parking space, my own table in the commissary, to a complete nobody! When I went to get my stuff, they wouldn't let me on the lot."

Dirk Benedict quotes

"Is getting a hundred thousand pounds a proof of excellence? That has been done by a scoundrel commissary"

Samuel Johnson quotes

If you've been out for years and you still refer to your check stub as an LES, the Department store as the PX and the grocery store as the Commissary.
